

CGM helps to protect our health with intelligent IT –
Each person should receive the very best medical treatment
made possible by integrated software.

CompuGroup
Medical

CompuGroup Medical is one of the leading eHealth companies in the world. Its software products are designed to support all medical and organizational activities in doctors' offices, pharmacies, laboratories and hospitals. Its information services for all parties involved in the healthcare system and its web-based personal health records contribute towards safer and more efficient healthcare. CompuGroup Medical's services are based on a unique customer base of over 400,000 doctors, dentists, hospitals, pharmacies and networks as well as other service providers. With locations in 19 countries and customers in 43 countries worldwide, CompuGroup Medical is the eHealth company with one of the highest coverage among eHealth service providers. Approximately 4,200 highly qualified employees support customers with innovative solutions for the steadily growing demands of the healthcare system.
