

Leaders of the Chinese Association of Science and Technology (CAST) negotiated in Prague

On Monday 23rd September 2013, the bilateral negotiations between the deputy leaders of the Czech Association of Scientific and Technical Societies (CASTS) and the leaders of the Chinese Association of Science and Technology (CAST), headed by the General Manager, Mr. Li Sen, were held in the premises of the Chairman of the CASTS, Prof. Jaromír Volf, the Head of the Department of the Electrical Engineering and Automation, Czech University of Life Sciences Prague.

Thanks to the kindness of the current Chairman of the CASTS as well as the former ones and the interest of the Chinese side in issue of noise and air pollution, the President Mr. Ivo Vaněk introduced the international conference BETTER CITIES FOR BETTER LIFE, Prague 2013 to the special guests and invited them to the personal participation.

The invitation was accepted by the Chinese!
